

# OHS GAS BAY

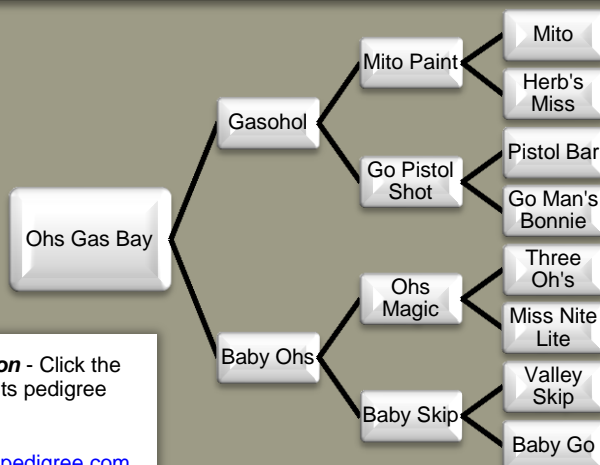

Nominated CHBI

## Jimmy's Story

The base of our sire line is OHS GAS BAY also known as Jimmy. He is an own son of the famous GASOHOL, Canada's number one barrel race horse producing sire. On the dam side he is THREE OH'S. This blood line has unparalleled athleticism and speed, speed, speed.

Jimmy came into our program at 14 years of age; he looked like he was 5 years old. At 17 years of age (pictured here) he still looks the same.

As a performance horse veterinarian most of the top horses I see are full of spirit. This is understandable and accepted as these animals perform at a higher octane.

Allison had repeatedly said how amazed she was with his quiet demeanor and gentle disposition. I work with stallions all the time so I had my doubts. When Jimmy arrived at our place I was blown away. His stature was perfect and he was so gentle. As part of our veterinary practice and on farm breeding service we are a mare-dense outfit and I have never worked with a stallion that was so level headed and cooperative. We see this trait in his foals and we love it.

Some other outstanding performers in his ancestry are: Jet Deck, Chicado V, Three Bars, Go Man Go, Top Deck, Native Dancer, Man o' War, Three Chicks.
