

B&D APPROVED

Omega5 is an approved Black & Decker design studio that specializes in working with licensees to efficiently bring your products to market.

WE help you...

> **B&D Branding Guidelines**

Through the approval process. We work as a team between you and B&D in order to smoothly transition your product through the approval stage.

> **Project Management**

Time manage your project. With more than 15 years of experience in branded product marketing, we understand you and your customers needs.

> **Graphic Design**

Design elements. We realize that great designs have the ability to create memorable brand experiences with consumers. Our in-depth knowledge of both design and the B&D brand, will help guide you through the entire design process, saving both time and cost. We specialize in Packaging. Point of Purchase.
