FOR IMMEDIATE RELEASE

BMS goes Platinum!

Toronto, ON. October 8, 2009 – BMS Enterprises introduces the premium Platinum Power Bullet series. A Platinum coloured finish and a pointed tip are not all that make this bullet shine. The Platinum Power Bullets have a unique variable-speed control to set vibrations at a vast choice of speeds.

Simply press and hold the button down and feel the vibrations increase. When the desired speed is found, let go of the button. To go higher, simply press and hold the button again. When you want to turn it off, press and release the button quickly.

The
inches and
upgraded

Platinum comes in a stylish clamshell and is available in two sizes, 3
5.5 inches. Each features a glowing LED button with an attractive
flat button, comfortable and easier to use.

With the Platinum PowerBullet, you set the pace.
