President's Message

Dear Competitors, Teachers and Donors;

Now in its 85th year, the Peel Music Festival continues to be one of Canada's largest annual independent music festivals. Organized in 1927 in Brampton by W.E. Capps, a local elementary school music teacher, the Festival was first sponsored by the Department of Agriculture as a venue for local Junior Farmers' choirs. In the ensuing years, the scope of the Festival has grown significantly, and this season we will hear thousands of young performers in Music and Speech Arts. By engaging top professional adjudicators, the Festival continues to encourage very high standards in both performance and teaching.

The Festival is affiliated with both the Ontario Music Festivals Association and the Federation of Canadian Music Festivals, and provides local winners with both Provincial and National venues for competition with other young performers from across Canada.

We thank the many Festival volunteers whose services are essential for the smooth operation of the competitions. Our thanks also go to the generous donors who provide scholarship funds, and to Toronto Piano for the use of their pianos for the competitions. We hope you enjoy this year's Peel Music Festival!
