L'Information d'Affaires Rive-Sud

L'Information d'Affaires Rive-Sud, since its founding in 1990, is THE source of economic information on Montreal's South Shore.

Its highly informative content, geared to the new regional economy, its well-researched features, its interviews with regional leaders and its business agenda are only a few of the strong points that make it the preferred information medium for business leaders.

Published 11 times a year, L'Information d'Affaires directly reaches business leaders, professionals and the self-employed in 29 South Shore municipalities through its personalized distribution.
