

Delta Kappa Gamma Society Donates Books to Wadesboro Primary School

The sisters of Delta Kappa Gamma Society International (DKG) worked to collect books that were donated to students at Wadesboro Primary School. Delta Kappa Gamma is a national organization of women educators who promote professional and personal growth of its members and excellence in education. Pictured above are Kristin Usrey and Lora Wyatt who are both members of DKG and their students.

Anson County 4-H Clover Crawl Social is Back!

Anson County 4-H and 4-H Youth Promise is pleased to announce that the Clover Crawl is back. The event will be held Friday, March 13 at the Lockhart-Taylor Center in Wadesboro, from 6 until 11 p.m. The Clover Crawl is an adult event, 21 and over. The event will be sure to bring an evening of fun, food, dancing and great socializing. Heavy Hors D'oeuvres and drinks will be served. The DJ again this year is 4-H alumnus Ryan Short of Ryan Short Entertainment (www.ryanshort.net).

Funds raised will be used to support ongoing 4-H youth programs in Anson County. Advance tickets are \$30 per person and can be purchased at the Extension Office located at 501 McLaurin Street in Wadesboro, Lacy's, or from committee members and staff. Ticket price at the door will be \$40.

Back by popular demand is the Dance Competition. Individuals and groups can take their talent to the dance floor to vie for the title of "2015 Clover Crawl Dance Competition Winner." Registration will be available at the ticket table the night of the event.

This fundraiser helps make up dollars lost due to shortfalls and cutbacks in funds that have traditionally provided 4-H programming and operating budgets. The money raised from the Clover Crawl will support programs that address the well being of youth, families, and communities in Anson County.

4-H programs annually reach over 1,300 young people in the community. Youth participate in activities and programs such as school enrichment, summer camps, after school programming, community service and other year round educational programs.

Anson 4-H and 4-H Youth Promise, also works with adults, volunteer leaders and youth to provide community projects, parenting skills and enhanced leadership abilities. All 4-H programming is available to any youth between ages 5-19.

Roshunda Terry said, "The Clover Crawl fundraiser has been a success in previous years. We are optimistic that we will have an even better response this year. 4-H programs have had much impact on the youth in this county through the years. With the public's help and support, programs can continue to make significant contributions to their future, and the future of our county."

If you would like to learn more information about this event please contact Roshunda Terry, 4-H Agent at 704-694-2915.

Leadership Summit for Students at Holla Center

There will be a free leadership summit for middle and high school students called "Getcha Mind Right" at the Holla Center in Morven on Saturday, February 21, from 10 a.m. to 4 p.m. A continental breakfast and lunch with entertainment will be provided. Space is limited and registration is required, so call 336-337-5114 by February 14 to get in. It is presented by Holla and Beyond the Block.

Machinists, Master Scheduler, Material Planner, Logistics & Inventory Control Manager

Lilesville Elementary School Celebrated National School Counseling Week

National School Counseling Week, sponsored by the American School Counselor Association (ASCA), was celebrated from February 2-6 at Lilesville Elementary School. This week provided the school community the opportunity to focus public attention on the unique contribution of professional school counselors within U.S. school systems and how students are different as a result of what school counselors do. National School Counseling Week highlights the tremendous impact school counselors can have in helping students achieve school success and plan for a career.

LES Principal Maresa Dutton

Phillips cited LES School Counselor Frances McClendon (pictured at left) for being actively engaged in helping students examine their abilities, strengths, interests and talents; for working in a partnership with parents as they encounter the challenges of raising children in today's world; for focusing on positive ways to enhance students' social/personal, educational and career development; and working with teachers and other educators to provide an educational system where students can realize their potential and set healthy, realistic and optimistic aspirations for themselves. Professional school counselors are certified, experienced educators with a master's degree in guidance and counseling. The combination of their training and experience makes them an integral part of the total educational program. McClendon has been in the counseling profession for twenty-two years and served as the counselor for Lilesville Elementary School for the past eleven years. Her background also includes service delivery in the areas of disabilities and special needs. She resides in Cheraw with her husband Neil.
